Dear Mr. Cook:

On July 8, 2003, Delta Minerals Inc. submitted a reclamation bond for sales contract UTU-079455. This bond replaced the \$11,000 bond that had been in place for your mining operation located in Section 12, T. 15 S., R. 10 W. Since Notice UTU-078262, which originally authorized the activity has expired, and all mining activity is now authorized under the sale, Notice case file UTU-078262 is closed. If you wish to conduct future operations under the 43 CFR 3809 regulations, you must first submit a new Notice or Plan of Operations.

If you have any questions, please feel free to contact Sheri Wysong at (435) 743-3124.

Sincerely,

Rex Rowley
Field Office Manager
